## 2018-2019 Dependency Override

---

### **General Information for Requesting a Dependency Status Override**

A student who does not meet the federal criteria for independent status on the 2018-2019 Free Application for Federal Student Aid (FAFSA) may submit this form (with supporting documentation) for review and determination of existing unusual circumstances. The Higher Education Act allows a Financial Aid Administrator to make dependency overrides on a case-by-case basis for students with unusual circumstances.

**Please Note:** Parent(s) refusal/inability to contribute to your education, parents not claiming you on their tax return, and/or you supporting yourself are not considered extenuating circumstances. Approvable unusual circumstances would include but are not limited to death of parents, an abusive family environment or abandonment by parents.

**Submission:** You may e-mail or fax your application to our office as indicated below. You will receive an e-mail notification in your IUPUI e-mail account of the decision within ten business days.
