

2019-2020 Dependency Override Renewal

A student with an approved Dependency Override for the 2018-2019 aid year who does not meet the federal criteria for independent status on the 2019-2020 Free Application for Federal Student Aid (FAFSA) may submit this renewal form (with supporting documentation) for review and determination of unusual circumstances. The Higher Education Act allows a Financial Aid Administrator to make dependency overrides on a case-by-case basis for students with unusual circumstances.

Please Note: Parent(s) refusal/inability to contribute to your education, parents not claiming you on their tax return, and/or you supporting yourself are not considered extenuating circumstances. Approved unusual circumstances would include but are not limited to death of parents, an abusive family environment or abandonment by parents.

Submission: You may e-mail or fax your documentation to our office at the contact information below. You will receive an e-mail notification in your university email account of the decision within ten business days.
