Affirmation statement (Sign and Date): My signature indicates that information submitted is true and accurate to the best of my knowledge. I authorize the Office of Student Financial Services to verify this information. I understand that providing false information can result in the cancellation or repayment of financial aid. I understand that increasing my COA does not allow for an increase in financial aid if I have already been awarded the maximum annual Direct loan amount. All steps taken above are dependent upon my submission of appropriate and complete documentation necessary or review of this special circumstance appeal.
