2023-2024 Satisfactory Academic Progress Appeal Form

Students who do not meet [Satisfactory Academic Progress](#) (SAP) standards are not eligible to receive financial aid. If you have extenuating circumstances that have led to your inability to meet SAP standards, you may submit a SAP appeal. To appeal your SAP status for Fall 2023 and/or Spring 2024 or Summer 2024 you must submit this form along with any required documentation detailing the extenuating circumstances that contributed to you not meeting SAP standards.

Extenuating circumstances may include: illness/hospitalization of the student, death of a family member, or other circumstances **beyond the student's control**. In addition, you should indicate changes you have made to achieve SAP in future semesters. You are encouraged to work with your academic advisor to create a comprehensive plan that will help you succeed academically.

To understand why you have been selected for Satisfactory Academic Progress review your To Do List in one.iu.edu. You only need to complete the appeal form based on the reason(s) why you are not meeting Satisfactory Academic Progress.

You will receive an email notification to your IUPUI account regarding the SAP appeal decision within 15 business days after receipt of your **completed** appeal form and the required documentation. Regularly monitor your email account and To-Do List for any requests for additional information. During this time, you will be responsible for any tuition and fees, including late fees, charged to your account. Submitting an appeal does not guarantee approval to reinstate your eligibility to receive financial aid.

Complete Each of the Following Steps:

- ☐ Determine why you were selected for not meeting Satisfactory Academic Process (SAP) by reviewing your To-Do List.
 - Completion Rate is below 67%
 - Cumulative Program GPA is below the minimum required by your academic program
 - Too Many Credit Hours
- ☐ Provide a statement and supporting documentation to explain the extenuating circumstances that contributed to not meeting SAP standards during all periods of enrollment.
 - Describe how you have modified your behavior to meet our standards of satisfactory academic progress in the future.
 - If you are appealing for too many hours and are working on a 2nd degree that is a level equal to or below any current credential that you have earned, please describe why you are pursuing the new program. For example, if you already have a B.S. degree and are working on either a 2nd bachelor's degree or a certificate, please explain how the new program will help you achieve your career goals.
 - **Include documentation that will support your appeal.**
- ☐ Submit all items to the Office of Student Financial Services.
